ACS  PUBLICATIONS
Essential Resources for the Chemical Sciences

Environmental Science & Technology is published in print and electronic format and may be published in other formats, methods, and technologies of distribution, now known or later developed. For all illustrations submitted to and used in *Environmental Science & Technology*, it is understood that they may appear in other formats, methods, and technologies of distribution, including but not limited to reprints of the articles to which they apply.

Environmental Science & Technology (ISSN 0013-936X) is published semi-monthly by the American Chemical Society, 1155 16th St., N.W., Washington, DC 20036; (202) 872-4614; TDD (202) 872-6076; fax (202) 776-8264. Periodicals postage paid at Washington, D.C., and at additional mailing offices. Queries regarding the magazine section can be directed to the address above; (202) 872-4582; fax (202) 872-4403; e-mail est@acs.org. Information regarding submission of research papers, Critical Reviews, Environmental Policy Analysis papers, and Research Communications should be directed to the ES&T Manuscript Office, Campus Box 1105, 112 Miller Hall, University of North Carolina at Chapel Hill, Chapel Hill, NC 27599-1105; (919) 966-0581; fax (919) 966-0582; e-mail est@unc.edu. ES&T's editorial policy and author guidelines can be found in the January 1, 2000, issue.

SUBSCRIPTION PRICES 2000: ACS members, \$74 per year; nonmembers (for personal use), \$218 per year; students, \$56; institutions, \$1,031 per year. Web Edition, \$50 per year for members, \$1,083 per year for institutions. (Pricing information for additional institutional subnets or site licenses and other subscription options can be found at <http://pubs.acs.org>.) International postage, \$87. For single issues, back issues and volumes, and microform editions, call the number listed for subscription orders or write the Microform & Back Issues Office at the Washington address. For quotes and information on bulk reprint orders, contact CJS Reprint Services at (888) 257-2134 or (410) 819-3991. Canadian residents add 7% GST; U.S. residents add applicable sales tax. Rates above do not apply to nonmember subscribers in Japan, who must enter subscription orders with Maruzen Company, Ltd., 3-10 Nihonbashi 2-chome, Chuo-ku, Tokyo 103, Japan. Tel: (03) 272-7211.

DOCUMENT DELIVERY: Individual research articles appearing in ACS journals (which extend back to Jan. 1996), and articles posted electronically through "Articles ASAP", can be purchased directly on the Web with a credit card. Go to <http://pubs.acs.org> and select "Articles on Command". Articles are delivered as PDF files. A-page and research articles also may be ordered through the Chemical Abstract Service Document Detective Service. Call (800) 678-4337 or (614) 447-3670 for more information. For bulk reprint quotes and ordering information, contact CJS Reprint Services at (888) 257-2134 or (410) 819-3991. Corresponding authors will receive 50 free electronic reprints via an electronic reprint URL.

Digital Object Identifier (DOI). The DOI identification system for digital media has been designed to provide consistent and reliable identification of digital objects. Information on the DOI and its governing body, the International DOI Foundation, can be found at <http://www.doi.org>. In the Web editions of ACS journals, the DOI appears at the top of the HTML version of an article and at the bottom of the first page in

its PDF version; in the print editions, the DOI appears in the same location as in the PDF version.

COPYRIGHT PERMISSION: The American Chemical Society holds copyright to all material published in *Environmental Science & Technology* unless otherwise noted on the first page of the article. Reprographic copying beyond that permitted by Section 107 or 108 of the U.S. Copyright Act is allowed for *internal use only*, provided that \$19.00 per article copy is paid to the Copyright Clearance Center (CCC), 222 Rosewood Dr., Danvers, MA 01923, USA. Reference ISSN 0013-936X in your correspondence with the CCC. Reproduction or reproduction for sale of articles or abstracts in this journal is permitted only under license from ACS. Direct permission requests to ACS Copyright Office, Publications Division, 1155 16th St., N.W., Washington, DC 20036. Registered names and trademarks used in this publication, even without specific indication thereof, are not to be considered unprotected by law.

SUBSCRIPTION SERVICE: Members may share/donate their personal subscriptions with/to libraries and the like but only after 5 years from publication. Orders for new subscriptions, single issues, back volumes, and microform editions should be sent with payment to American Chemical Society, Dept. L-0011, Columbus, OH 43268-0011. Phone orders may be placed, using VISA, MasterCard, or American Express, by calling the ACS Sales Office at (614) 447-3776 or toll free (800) 333-9511. (For general information, in the Washington, DC, area call 872-4363 or toll free 800-227-5558.) Changes of address, subscription renewals, claims for missing issues, and inquiries concerning records and accounts should be directed to Manager, Member and Subscriber Services, ACS, P.O. Box 3337, Columbus, OH 43210. Changes of address should allow six weeks and be accompanied by old and new addresses and a recent mailing label. Claims for missing issues will not be allowed if loss was due to failure of notice of change of address to be received in the time specified; if claim is dated (a) North America—more than 90 days beyond issue date, (b) all other foreign—more than 180 days beyond issue date. Claims are handled by Member & Subscriber Services.

POSTMASTER: Send address changes to *Environmental Science & Technology*, Member and Subscriber Services, P.O. Box 3337, Columbus, OH 43210. Canadian GST Reg. No. 127571347.

SUPPORTING INFORMATION (SI): Supporting Information (SI) is available free of charge via the Internet at <http://pubs.acs.org>. For additional information on electronic access, send an e-mail to si-help@acs.org or phone (202) 872-6333. For SI prior to 1999, contact Publications Support Services, ACS, Washington, DC tel: (202) 872-4376. fax: (202) 872-6325.

The paper used in this publication meets the minimum requirements of American National Standard for Information Sciences Permanence of Paper for Printed Library Materials, ANSI Z39.48-1984.

The American Chemical Society assumes no responsibility for statements and opinions advanced by contributors to the publication. Views expressed in editorials are those of the author and do not necessarily represent an official position of the Society.
